

Les 1^{er} et 2 août, le pittoresque village de Knowlton sera l'hôte de la première édition anglophone des Correspondances d'Eastman. Une dizaine de chambres d'écriture seront aménagées, dans les boutiques et les galeries d'art, à la bibliothèque Pettes Memorial et au Musée du Comté de Brome.

On August 1st and 2nd, the quaint little village of Knowlton will be transformed into an outdoor literary salon! Besides letter-writing, you'll be able to take part in many other literary activities in the company of Anglophone authors who will participate in literary discussions in this very first satellite edition of LES CORRESPONDANCES D'EASTMAN LITERARY FESTIVAL : LETTERS FROM KNOWLTON.
